## 2009 FOOTBALL PROGRAM

### PAGE SPONSOR RESERVATION FORM

One of SHS Football's great traditions is the production of a football program that is sold at each home game. The programs planned for the 2009 season will contain reports of previous games and photographs of many of our players in action. Additionally, all players and coaches are highlighted throughout the booklet. We are offering the opportunity to our community of friends and family to support the team and players. The money raised from our game day program is one of the major sources of revenue supporting Saratoga High School Football.

We are offering a **Page Sponsor** reservation for those that may want to give to our program (ie: Grandparents, Friends, Alumni, Teachers). This "package" has the donors name on a program page indicated as the *page sponsor*. See attached example. No ad space is provided. The suggested donation is a minimum of \$50. **All donations are tax deductible!**

**Thank you in advance of your support of the SHS 2009 Football Season.**
